## FOREWORD

So that the Memories, Events and Achievements of Our High School Days may not be forgotten to us; and so that this Book may serve as a wholesome diversion to our friends and followers, We, the Class of Nineteen Hundred and Thirty-six, offer this Yearbook.

## CLASS POEM

### *Freshmen—*

Young, eager, and green were we  
Proud of ourselves as students to be.  
Hoping to make a grand sensation  
But foiled were we by an initiation.

### *Sophomores—*

Not quite as green as a year ago  
Hunting a place for our seeds to sow.  
Knowing the worth of a fine education  
Striving to earn our qualification.

### *Juniors—*

At last we rated a Junior title  
Due to an appreciation of all things vital  
Our school days were happy—and then some  
For we'll never forget the Junior Prom.

### *Seniors—*

Last but not the least of our school years  
Stirs our emotions, perhaps to tears  
For our Alma Mater, from which we depart  
Means much to us deep down in our heart.

—Grace Croll, '36.

## DEDICATION

## CLASS HISTORY

As I sit and gaze at the stars, I cannot help but be obsessed by the pleasant memories of our high school days.

Glancing at the Little Dipper of Ursa Minor, I think of our first year of high school when we were still known as children. In September, 1932, we started as "Freshies"—a bit green and shy—maybe a bit wild. However, we were soon tamed by the harsh (?) initiations by the Sophomores. Each section, individually, enjoyed numerous parties and moonlight hikes. What fun! A few of our athletically-inclined "pals" played on the Junior Varsity and Varsity athletic teams of E. H. S.

As I glance toward the northeast, I see the constellation Cassiopeia. Just as this constellation is not very important, our Sophomore year was not very important. We did not go Freshman-hunting but settled down to work immediately. Six weeks passed and when the honor rolls were posted, we found that we now had both an "A" and a "B" honor roll. Many names of our classmates appeared on these honor rolls throughout the year. In October we held our first party for the year. What a Hallowe'en party!

Again some of our "pals" played on the various athletic teams, and may I mention the fact that the star varsity basketball players were from the Sophomore class. June 21 arrived and so did our vacation. Did we enjoy it?

Moving my eyes toward the left of Cassiopeia, I see the constellation known as Cepheus. Cepheus is a bit larger and more important, consequently I am reminded of our Junior year. Now we were practically at the zenith of our high school career.

This year our thoughts centered around plans for the Junior Prom. After much argumentation, we finally chose our class colors, the orchestra, the place, and the date. And did we all have a good time?

Our oratorically-inclined classmates made the annual Junior Oratorical Contest a successful event and also won merit for their efforts in debating.

We were all so active that we were surprised when school closed. But we did enjoy our vacation.

Lowering my eyes and then raising them toward the Moon, I spy the Big Dipper or Ursa Major. I am influenced to think of our Senior year when I look at this constellation, because our Senior year was the busiest, the funniest, the most serious—in plain English, the best of them all.

Due to numerous social activities it was the most enjoyable. The first social activity was a Hallowe'en Dance for the lower classmen. We had several other dances and last but not least was the Senior Ball. To our regret, this was the last meeting of the class.

The orators and dramatists of the Senior class certainly displayed their talents by presenting two of the best plays ever given in Emaus High. The Triangular Debating Teams were as successful as in other years and they deserve credit for their cooperative spirit.

Let us not forget our athletic teams as they are worthy of praise for their fiery fighting spirit.

Now we leave our dear Alma Mater to go out into the wide, wide world some to find positions and others to further their knowledge.

Althea Osman.

WILLIAM J. BRENSINGER

"Billy"

*Orchestra, 2-3-4; Melodiers, 2-3-4; Chorus, 3-4; Class Play, 4; Hi-Y Club, 4; Tattler Staff, 4; Year Book Editor, 4.*

"Billy" is one of the quiet members of the class. He is not an athletic type of student, but spends most of his spare time helping fulfill the engagements of the "Melodiers Quartet," of which he is a member. He is also an active member of the orchestra and chorus.

We do not know whom his chief attraction happens to be.

"Billy" intends to take a Pre-medical course at Lebanon Valley College after he leaves E. H. S.

Good-bye and good luck to a pal!

*Baseball, 1-2-3-4; Football, 2-3-4; Co-captain, 4; Basketball, 1-2-3-4, Captain-4; Hi-Y Club, 3-4, Vice President-4; Class Vice President, 1-3; Class President, 4; Jr. Oratorical Contest, 3; Dramatics, 4; Tattler Staff, 4; Year Book Staff, 4; Gym Team, 2; Tennis, 4; Track, 1.*

HORACE SCHANTZ, JR.  
"Junior"

Well, here comes our class president. "Junior", as he is known by all, is one of our best athletes. Besides his sports' ability, "Junior" took part in many other activities, and did not neglect his school work for them. "Junior" hails from Macungie, and takes an active interest in the opposite sex!!

Seriously, "Junior" intends to continue his education at Penn State. Lots of luck, "Schantzie," we are sure you'll climb up far.

KENNETH DORNEY

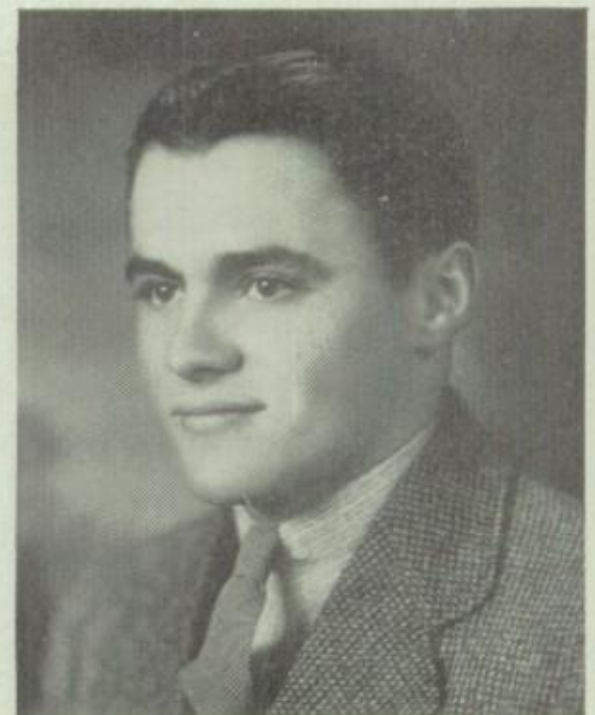

"Kenny"

*Radio Club, 1; Class Treasurer, 2; Class President, 3; Monitor Club, 3-4; Class Vice President, 4; Hi-Y Club, 3-4, Chaplain, 4; Business Manager of Tattler, 4; Business Manager of Year Book, 4; Senior Class Play, 4.*

"Kenny" is a jolly good fellow. He is a willing worker and always ready to help the class, but he sometimes says he doesn't like to do everything.

"Kenny" is popular with the girls but at this recording has not succeeded in locating his "one and only." Perhaps his new "Chevy" will help him out.

The "A Honor Roll" contained his name often and we are sure he will be a success in whatever he tries. Good luck, "Kenny."

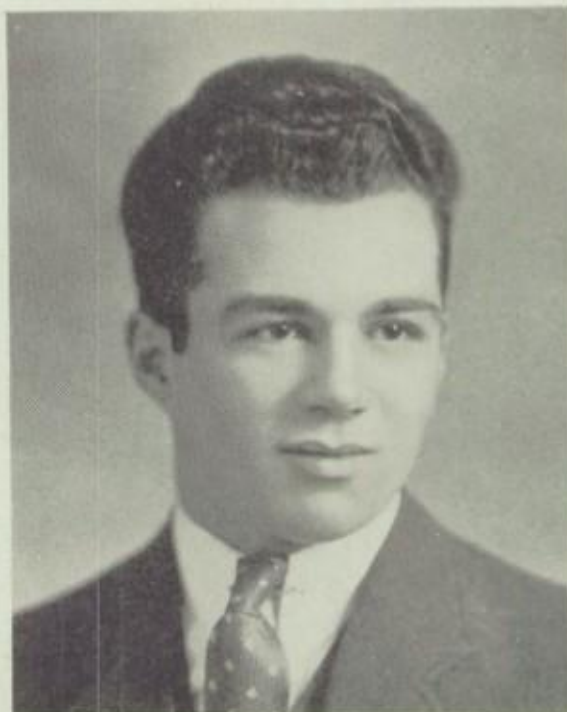

# EMAUS HIGH SCHOOL

DONALD WEIDA

"Sugar"

*Football, 2-3-4; Class Treasurer, 3-4; Hi-Y Club, 3-4.*

Here is one of the quiet boys of the class. "Sugar" proved himself a very efficient class treasurer, serving two terms. He was also a star guard on our football team for three years and captained the team in his senior year. "Sugar" has made quite a hit with the fairer sex but does not seem to be able to concentrate on one definite girl. Donald is not certain as to what he intends to do but we wish him success and happiness in the future.

ALTHEA KELLER

"Blondie"

Presenting "Blondie" of the Senior Class! Can she draw! She's good at drawing anything—profiles, figures, fellows—Oh shucks, I left the cat out of the bag, Althea.

"Blondie" has a magnetic personality and a certain gentleman from Bethlehem seems to be "drawn" by it.

Laying all jokes aside, Althea can draw very well and she expects to be a Commercial Artist. Go to it Althea, and may our best wishes go with you.

*Junior Varsity Basketball, 2; Varsity Basketball, 3-4; Tattler Staff, 4; Dramatics, 3-4; Secretary, 3-4; Year Book Staff, 4; Debating, 4; Chorus, 3-4.*

ARTHUR GRAYBILL

"Bing"

*Football, 4; Junior Oratorical Contest Winner, 3; National Housing Administration Contest Winner School and County, 3; Senior Class Play, 4; Dramatic Club, Vice President, 4; Tattler Staff, 4; Assistant Class Treasurer, 4; Debating, 4; Music Club, Secretary, 3.*

Yes, you guessed it. That is why we call him "Bing"—he sings. He likes to sing "Alone"—we usually let him. This handsome classmate will join the Navy sometime after Commencement. We hope the time will come when we may call him Admiral Arthur Graybill. Here's wishing you all the luck in the world, "Bing." If he fails to attain officership in the Navy, Arthur will go abroad and study music. Perhaps he will sing in Hollywood, some day.

JOSEPH BACHMAN

"Joe"

*Hi-Y, 3-4; Baseball, 4.*

Behold one of the tallest members of our class. "Joe" is another of our out-of-town students, hailing from the outskirts of Macungie.

"Joe" is one of the quiet fellows of our class. He enjoys singing and when "Joe" and "Junior" get together, they surely can harmonize.

At times "Joe" is very studious, especially when alone. He surely takes an interest in his Physics, his favorite study.

We do not know what "Joe" intends to do, but whatever he attempts, we hope will be successful. Good Luck, "Joe."

*Minstrel, 1; Chorus, 3-4; Class Play, 4; Tattler Staff, 4; Year Book Staff, 4.*

LUCILLE E. BIEBER

"Lou"—"Shrimp"

"Lovely to Look At"—remember when she sang it at the Junior Prom? Quite a singer too!

"Lou" is a very delightful companion and one usually sees her with her "step-sister"—"Dish."

A certain "Mr." says she's the "Dancer of all Dancers"—that's true too.

If you happen to hear "Don't be silly!" you know it's "LOU."

Seriously though, Lucille would like to teach primary grades. That's O-Kay, "Lou!"

CHARLES O. BITTENBENDER

"Charlie"

*Health Club, 1; Assistant Athletic Manager, 3; Hi-Y, 3-4; Football Manager, 4; Basketball Manager, 4; Baseball Manager, 4.*

"Charlie" is one of the smallest Seniors to graduate this spring, but he makes up for his smallness physically with his mental largeness.

"Charlie" is one of the two small, but very able student managers, is very studious, and pays very little attention to the opposite sex.

"Shadow" is a name frequently applied to him. "Charlie" has prospects of a position immediately after graduation. Success, "Charlie."

# EMAUS HIGH SCHOOL

## DOROTHY E. BORTZ

*Tattler Staff, 4.*

One of our fair representatives from Topton arrived at E. H. S. in her Junior year. She likes to be in with a gay crowd. She also likes dances and parties. What is the attraction Dorothy? Because she can think and write fast "Dot" always has her work.

Although undecided as to what she will do after she leaves school, we feel sure she will prove to be successful at whatever she tries.

Here's wishing you luck!

## LEON BOYER

*"Muni"*

Here is one of the famous Melodiers Male Quartet. "Muni" sings the bass part in the Quartet and fills this position very well.

"Muni" seems to have very little interest in the opposite sex, but there appears to be a certain Junior girl, who is causing him some worry lately. Putting all kidding aside, "Muni" some day will be singing to some fair damsel in an opera. We wish you success in your singing, "Muni"!

*Football, 3-4; Opera, 3-4; Melodiers, 2-3-4; Class Play, 4; Debating 2.*

## OLIVE BRENSINGER

*National Forensic Club, 3-4; Tattler Staff, 3-4; Debating, 2.*

*Olive is tall, wise, and true.*

*We wish you success in all you do.*

Olive is a tall dark-haired member of our class and all around good pal. She is a faithful member of the National Forensic Club and the Tattler Staff. A willing worker and a conscientious student, causes her to be well liked by all her classmates. She expects to enter Kutztown State Teacher's College. Whatever Olive attempts, the class is sure will be well done. Go to it, Olive, the class is behind you and wishes you good luck.

CREIGHTON BUSS

"Bussy" "Gang"

*Minstrel, 1; Melodiers, 2-3-4; Monitor Club, 3-4; Chorus, 3-4; Class Play, 4; Tattler Staff, 4; Hi-Y, 4.*

"Bussy" has a good tenor voice and certainly makes use of it singing with the Melodiers. Whenever you want "Bussy" you must look for Strunk, Brensinger, and Boyer. "Bussy" is sure to be there.

"Bussy" was very much interested in a blonde until a short time ago, but now it seems as if the bubble has burst, and he is very unattached. "Gang" is a good-natured chap, always willing when there's work to be done, but count on him for good times, too. "Up-and-at-em," Creighton, we're with you!

*Chorus, 1-3-4; Class Play, 4; Girls' Baseball, 4.*

GLADYS BUSS  
"Glad"—"Pussy"

"Pussy" can always be seen with Evelyn. "Glad" is a cheerful but a quiet person and is a great pal to her friends. But then again she is always ready to have her fun. We can always see "Glad" and "Eve" having a good time during study periods.

We wonder what the attraction is in Macungie. Not only to see "Tek"—but do not worry "Glad" we will not mention names.

Gladys expects to enter the business world. We wish you success!

BERNARD CHRISTMAN

"Christie"

*Scouting Club, 1; Health Club, 1; Football, 3-4.*

"Christie" hails from the northern end of the city of Emaus. "Christie" is one of our very quiet students. He absorbs all that he hears and sees, and usually makes use of the information he gathers. "Christie" has not been tempted by the "fems" up to now, but we have hopes of his awakening in time.

He has seen service on the Football team for two years.

Bernard is a hard worker and we are sure he will succeed in whatever walk of life he chooses to undertake. Good luck, "Christie."

# EMAUS HIGH SCHOOL

GRACE L. CROLL

"Crolly"

*Basketball, 3-4; Junior Oratorical Contest Winner, 3; Chorus, 4; Tattler Staff, 4; Debating, 4.*

Here is "Miller's" best friend and is she a "pal?" Grace with her cheerful smile, has won many friends. Her jokes are simply killing at times!

"Crolly" hails from Tipton.

Grace was one of our good basketball players. We also found that she was an ardent debater.

All in all Grace certainly can study and be serious if she wants to for she is one of the brilliant commercial students and she intends to be somebody's stenographer somewhere.

Good luck to a swell "Lady-in-Blue."

MAE DEISCHER

"Dish"

And lo! another fair member of our class. "Dish" can certainly be rated as one of the most popular Senior girls. Did you ever see "Dish" alone in school?? Not often, for she is with her so-called "step-sister" from morn 'til night. Without "Dish" the Senior girls would be at a complete loss because she furnishes the family comb and mirror.

Mae's one great ambition is to become an instructor of the primary grades. With your personality, we know you'll succeed. Go to it, "Dish!"

*Basketball, 1-2-3-4; Minstrel, 1; Class Secretary, 1-2; Chorus Secretary, 3-4; Tattler Staff, 3-4; Class Play, 4; Year Book Staff, 4.*

ANNABELLE DeLONG

"Chats"

*Chorus, 4; Monitor Club, 3-4; Gym Team, 3.*

Annabelle is the chatterbox of our class—always talking.

"Chats" is the only female representative from Alburtis in our class. She seems to be quite interested in a dark complected young man. We won't mention names, Annabelle. All of Annabelle's troubles are immediately brought before her close friend, Marie. These two are inseparable pals. All in all, "Chats" is a good sport. Annabelle is undecided as to her future work. We know she will be successful in life. Go to it, kiddo!

RUSSEL J. ECK

"Tootie"

"Tootie" is one of the midgets of "36." Although "Tootie" did not participate in any social or athletic activities he has completed his four years successfully.

"Russ" expects to continue his bookkeeping knowledge before entering the profession.

"Russ's" eye is not centered on any particular maiden but he is very familiar with the weaker sex. All kidding aside, "Russ" is a good sport and is willing to help a friend in distress.

What ever you undertake the class is behind you, "Russ," success be yours.

*Gym Team, 1; Health Club, 1; Class Play, 4.*

ROBERT ELTZ

"Bob"

"Bobby" is one of the quiet boys of our class. "Bob" is noted for his "crooning" as you may know. The skies are never gray when you're near him. A good scout with a pleasing personality. As far as we have noticed "Bob" does not have a particular inclination to any one of the weaker sex, but he admits he has a decided preference for blondes.

Keep on plucking, and trying as you have in school, and you'll surely be successful. Luck to you, "Bob."

EVELYN M. FEGLEY

*Monitor Club, 3-4; Class Play, 4; Tattler Staff, 4.*

"Peg" is a friend to all who know her. She is always laughing at some silly little happening. "Peg" travels around with "Pussy" most of the time. These two girls take many hikes to that big city of Macungie. There must be some male attraction there. We wonder how hard "Peg" fell for her Bobby.

"Peg" intends to study nursing and we are sure she will become an excellent nurse.

Keep on smiling and luck will come your way!

# EMAUS HIGH SCHOOL

HELEN J. FENINEZ

"Fannie"

*Chorus, 4; Junior Prom Committee, 4; Tattler Staff, 4; Year Book Staff, 4.*

Here comes the tall, slim, and "Sophisticated Lady" of the class. Can she dance???? The fellows need a traffic cop when she is on a dance floor. We cannot seem to find her weakness because she seems aloof to the opposite sex. We wonder???? Helen has been very faithful to the Senior Class by selling cakes at lunch hours. Her pleasing personality will aid her in becoming a private secretary to an attorney. Here's success to you. We know you will succeed.

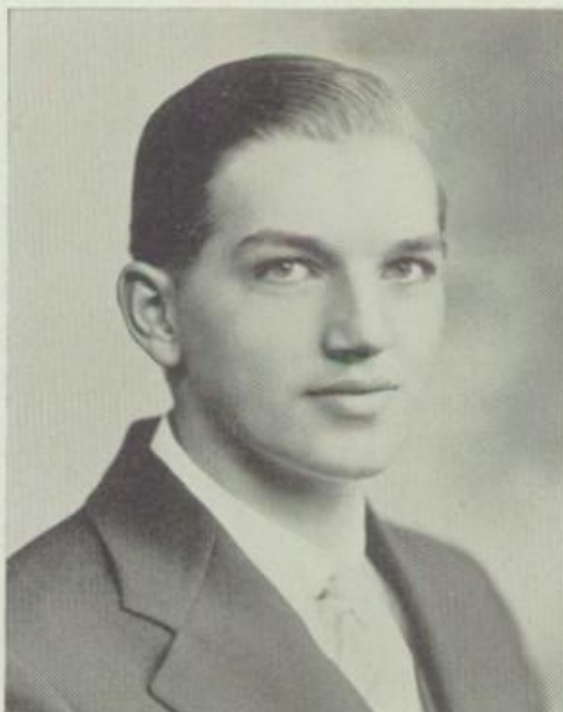

RUSSEL A. GEIGER

"Russ"

Russel, who hails from Mertztown, is a new member of our class. He was with us only in the senior year. He is interested in baseball, especially in the receiving end, or in the position of catcher. Russel is also a good student.

Russel does not seem to be interested in the opposite sex, which probably accounts for the fact that he can keep his mind on his studies. He intends to go to Wyomissing Polytechnic Institute, which we are sure will end satisfactorily.

*Hi-Y, 4; National Forensic, 4; Red Cross Council, 4; Baseball, 4.*

HERMAN GERY

"Bud"

*Football, 3-4; Baseball, 2; Tennis, 4; Basketball, 1-2-3; Tattler Staff, 1-2-3-4; Hi-Y, 4; Monitor Club, 3-4; Class Play, 4.*

Behold! the Romeo of the Senior Class. If you can not find "Bud" any time, just look around for Lucille, then you will be sure to find him. Frequently "Bud" misses the last bus, nevertheless, when starting to hike he usually gets a "lift." Did you hear somebody talking in German Class? Sure, it was "Bud" arguing with Mr. Geisinger. All kidding aside, "Bud" expects to go to Business College. Lot's of luck to you, "Bud."

JOYCE HABERSTUMPF

"Joy"

*Junior Varsity Basketball, 2; Varsity Basketball, 3-4; Tattler Staff, 4; Senior Class Play, 4; Dramatics, 4.*

Behold, one of the fair members of the class. She is "Joy" to a certain gentleman. Joyce is one of our star forwards in basketball. She certainly does shine on the basketball floor. But then, she shines any place. Her favorite rendezvous seems to be "Seventh Street." We wonder why she takes such a liking to it. "Joy's" pet ambition is to be "Somebody's Stenog." Best of luck Joyce, you deserve it.

*Junior Prom, 3; Debating, 3; Oratorical, 3-4; Chorus, 2-3-4; Forensic, 3-4.*

GENEVA R. HALL

"Judy"

"The music goes roun' " and so do "Shrimpy's" fingers when she's at the piano. Geneva is one of the smallest members in the Senior class, but all good things come in small packages. "Judy's" favorite instrument seems to be a saxophone. We wonder why? No reflection on the curly-headed boy-friend, is it???? Geneva's main ambition is to become a private secretary and the Class of '36 wishes her all success.

CATHARINE HAMSCHER

"Katie"

*Health Club, 1; Junior Varsity Basketball, 2; Student Manager, 4.*

Here she comes! The girl of his dreams! Who's he? Well, we're not telling. All kidding aside, "Katie's" a swell "Kid"—a good sport in every way. "Katie" has been student manager during her senior year. We could never have a game without Katie's presence. She is very active and her motto is "keep going." "Katie's" main ambition is to be a hair-dresser, although she is interested in office work. She has been working faithfully in Mr. Heller's office for the last months. Her scholastic rating is a mark of success. Her name has appeared on the honor roll at times. Good luck, "Katie" and lots of success.

# EMAUS HIGH SCHOOL

LaRUE C. M. HAUSMAN

"Hausman"

*Junior Prom Committee, 3; Red Cross Contest, 4; Year Book Staff, 4.*

Here's looking to a sophisticated lass of the class. "Hausman" may be called the nightingale. Maybe someday she shall thrill many a handsome Romeo, with her beautiful soprano voice, by radio, opera, or concert.

But to get down to the real side of LaRue, she really is a good pal, a bit quiet when in the presence of the opposite sex! "Still Water Runs Deep."

Together in mind body and spirit all, are LaRue and her friend Arlene. LaRue's ambition is to become a professional vocalist. Best of luck!

QUENTIN R. HELFRICH

"Chink"

Introducing one of the quiet and studious Commercial Seniors. Frequently "Chink" can be seen sitting in some corner absorbed in a magazine or book. Believe it or not!

If the direction of the wind changes in Emaus, you can imagine "Chink" is in town, keeping one of his dates on time. He and his 80 "mph" Nash are old favorites with some seniors.

He is not certain about life after graduation, but we wish him all the luck in the world.

*Junior Prom Committee, 3; Tattler Staff, 4; Year Book Staff, 4; Dramatic Club, 4.*

CLAIR HERMAN

"Eclipse"

*Baseball, 3-4.*

Clair hails from the metropolis of Topton. He joined the Class of 1936 in the Junior year and the class certainly regrets that he did not spend four years at Emaus High. In sports "Eclipse" is chiefly interested in baseball but this does not detract his attention from his studies, as can be seen by the number of times his name appeared on the honor roll. Clair is undecided as to his future. However, the class wishes him success in all that he undertakes.

MADELON H. HILLEGASS

"Petty"

*Dramatic Club, 4.*

Madelon is the quiet lass of our class when Geneva is not around. "Petty" is very studious. And does she like typing class? Ask her???

As far as we know "Petty" is somewhat interested in the opposite sex. How about it, "Petty?"

Madelon's one ambition is to become a well known pianist in a popular jazz orchestra.

The class of '36" wishes you success in whatever you attempt to do. Remember success is the stepping stone to future success.

*Debating, 2-3-4; National Forensic, 3-4; Tattler Staff, 3-4; Junior Oratorical Contest, 3; Hi-Y, 3; Decorating Committee, Junior Prom; Dramatic Club, 4; Senior Class Play, 4; Track, 4.*

JOHN L. HOOK

"Liviticus"

Here he is "gals," "Liviticus," marry him and you won't have to buy a radio. Laying all kidding aside, this talkative lad with his wavy hair is a nice guy even tho' you can't shut him off.

We don't know what Hook's ambition is but we feel sure he will either become a second Fred Astaire or an insurance salesman. We are more inclined to believe that "Liviticus" will become an insurance salesman. Well, here's luck to you, "Liviticus," in whatever you may do.

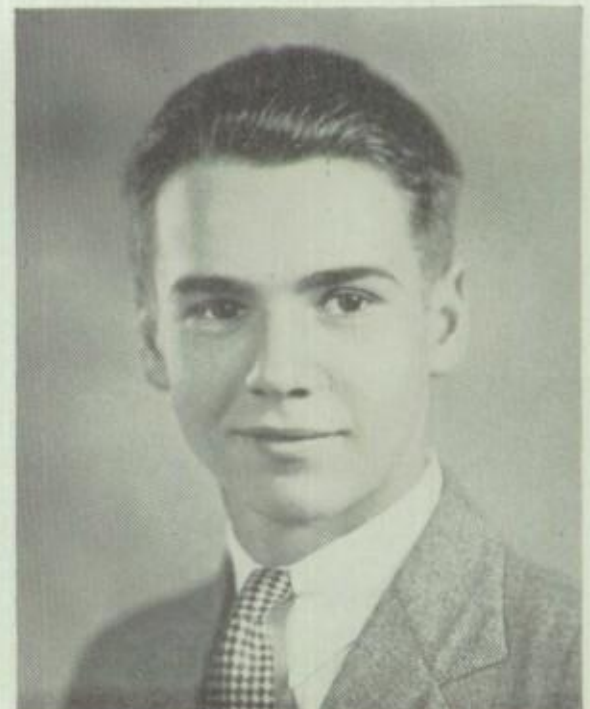

CHARLES IOBST

"Charlie"

*Tattler Staff, 1-2-3-4; Editor, 4; Chorus, 1-4; Hi-Y Club, 3-4; Junior Oratorical Contest, 3; Basketball, 2-3; Senior Class Play, 4; Year Book Staff, 4; Football, 4; Tennis, 4.*

If any girl wishes to have a boat ride, ask "Charlie," and he will take you down to the Lehigh and give you the ride of your life.

"Charlie" is really a very industrious fellow. He was Editor-in-Chief of our monthly issue of the Tattler. In fact, he had part in almost everything that came along and proved himself very helpful to the class of 1936. "Charlie" is uncertain as to his future. So long, good luck!

# EMAUS HIGH SCHOOL

ELWOOD R. KEYSER

"Honey"

*Class Basketball, 2-3-4; Hi-Y, 4; Health Club, 1; Gym Team, 1.*

"Honey" is a very athletically-minded young chap. Although he did not participate in any varsity sport he was always a staunch rooter and friend of the team. His dry jokes and his "boners" often thrilled the class.

"Honey" says that no girls shall mar his young life but already he is drifting for a certain girl in Dillingersville.

Golf, being his favorite sport, "Honey" expects to become a professional and earn fame in the National Open.

Goodday, Elwood, and don't dub too many.

EDWIN E. KLAN

"Eddie"

"Eddie" hails from that great metropolis of Vera Cruz. He is the "brains" of the Senior Class—I give you due warning, do not get into an argument with him for you will surely lose.

Coming to more serious matters we find "Eddie" really can work if he wants to, especially so on the ball field because he has proven this to us by being on the team for the last three years. Whatever "Eddie" undertakes we know will be successful.

*Baseball, 2-3-4; Hi-Y, 3.*

DOROTHY S. KLINE

"Tut"

*Chorus, 3-4; Prize Winner, Junior Red Cross Essay Contest, 4.*

Here we see the first prize winner of the Senior High Junior Red Cross Essay Contest. "Tut" is one of the talkative girls of the class.

"Tut's" main interest is centered in Vera Cruz. His name is Lloyd—oh well that is her secret.

Dorothy does not know what she intends to do after graduation. She likes stenographic work and may attempt it if she does not try the matrimonial path.

Go to it "Tut"—we know you will be successful.

GARWOOD KLINE

"Gox"

*Hi-Y, 3-4; Baseball, 3-4.*

An argument—Subject????—Baseball. Whenever you hear someone talking about baseball, you know "Gox" is around. He is quite a talker. As far as we know, he is not entangled with females!!!! "Gox" proved himself to be a good salesman, as he conducted a prosperous business, until the expenses exceeded the profits.

Garwood devotes a fair portion of his time to his studies and knows his stuff rather well. Although he is uncertain as to his future occupation we know he will succeed in whatever he attempts.

*Monitor Club, 3-4; Class Play, 4; Minstrel, 1.*

GERTRUDE KNECHT

"Gertie"

Who is that standing across the street? Oh!!!! that is "Bing" waiting for "Gertie." It must be thrilling to have a body-guard. All kidding aside, "Gertie" is one of the optimists in our class. She is always looking for fun and seems to find it, for she is always in the midst of merrymakers.

"Gertie" will likely enter the teaching field, but we fear she will land in the matrimonial field. Whatever she does we know she will succeed.

Happy Landings!!!!!!

WILLIAM KNERR

"Floppy"

Here comes another curly headed boy from Alburtis. "Floppy" likes to read Western magazines and shoot pool. He takes quite some interest in baseball and he really can play. However, "Floppy" does not spend all his time reading magazines and playing ball, but devotes much time to his school work!!!! He is usually a quiet boy but is always ready to take part in an argument.

"Floppy" is undecided as to what he will do in the future but in whatever he attempts to do we hope he will be successful.

# EMAUS HIGH SCHOOL

## MARTIN KOCH

"Malo"

*Hi-Y, 3-4.*

"Malo" lives on Sunshine Hill near Macungie. He is a very quiet boy in school but out of school he of course, has his fun. He likes hunting, skating, and most all other outdoor sports.

"Malo" knows his "onions" about machinery and farming. In all arguments about automobiles "Malo" is sure to do his best for Henry Ford. "Malo" is not interested in the weaker sex. He devotes most of his time to his Physics.

Martin is undecided about the future but whatever he undertakes we wish him the best of success.

## PAUL KRATZER

"Scratch"

"Scratch" is a faithful member of our class. All kinds of mechanical work interests him.

"Scratch" loves to drive all types of vehicles. In the morning he drives his father's truck, in the afternoon, his brother's motorcycle, and in the evening he delights everybody with his acrobatic stunts on his bicycle. Apparently, "Scratch" is not interested in the opposite sex, but we can never tell. Judging by scholastic records, we are positive Paul will succeed in everything he attempts. Good luck, Paul.

*Gym Team, 1-2-3-4; Health Club, 1.*

## THEDA KRAUSS

"Tek"

*Debating, 2-3-4; Chorus, 3-4; National Forensic Club, 2-3-4; Class Play, 4; Triangular Debating, 4; Oratorical Contest, 3.*

"Tek" hails from the large city of Macungie.

She has taken quite some interest in public speaking. With her argumentative ability, she has helped to make the annual triangular debate a success.

We are sure she has her eye on someone, but seriously "Tek" is a friend to all, and her giggles can be readily heard when the gang gets together.

"Reds" wants to be a nurse when, she graduates and with her light, rhythmic steps we know that even the insomnia patients will sleep.

Here's hoping—For what? That we get sick! May success be yours!

RICHARD C. LAUBACH

"Dick"

*V. Football, 2-3-4; Hi-Y Club, 4; Dramatics, 2; Chorus, 1; Health Club, 1.*

Here we have one of Emaus High's most popular fellows. As an athlete, "Dick" has proved his merit as an end on the football squad. He was also a class basketball guard. "Dick" is a very serious chap ordinarily, but not very serious about the female sex. He expects to enter P. M. C. when he graduates from good old E. H. S. Well, "Dick" keep up the good work. E. H. S. will never forget you.

*Chorus, 3; Monitor Club, 3-4; Hi-Y, 3; Anniversary Club, 1.*

FOSTER S.  
LAUDENSCHLAGER

Behold! one of the few six-footers of the commercial class. Have you ever seen "Fos" tickle the typewriter—quite a sight—in fact the commercial class would have quite a typist if it were not for the numerous errors caused by a defaulting typewriter.

One seldom sees "Fos" without seeing "Fulmer" because they are inseparable pals.

"Fos" expects to go to business college after his graduation from E. H. S. and we are sure he will succeed. Good Luck "Fos."

MARIAN MANTZ

"Maudy"

*Minstrel, 1; Chorus, 3-4; Monitor Club, 3-4; Tattler Staff, 4; Debating, 2-3.*

And—like a rabbit out of a hat we give you "Maudy"—a naturally "quiet" person. You'd expect "Maudy" to be quite an extensive reader—which she is. "Maudy" goes in for the heavier reading, for which many of us can be exceedingly grateful, for she has often provided us with the few helpful "notes" which have made that urgent book report authentic. We say, "An Orchid To You."

Oh, yes!—and we hear you are cah—razy about uniforms. What kind? Why, a nurse's, of course!

## EMMA J. MARX

"Skipper"

Emma came to Emaus High a few years ago. As we all know "Skipper" hails from that great city known as "Dillingersville." "Skipper" is very studious when "Dot" Kline's shadow is not around to haunt her.

Where "Skipper" is, there "Dot" is also. They seem to be an inseparable pair. We hope their friendship will never be severed.

We do not know what Emma intends to do after she leaves High School, but we know it shall be something worthwhile.

The class of '36" wishes you success.

## ALTHEA M. MILLER

"Miller"

Althea represents the typical high school girl—gay, young, cheerful and full of school spirit. Her ready smile disappears in moments of serious concentration, for she really can do fine work when she tries.

She is active in the cheering section. Debating is her extra curricular activity.

Macungie should recognize this distinguished young woman.

May success be yours!

*Debating, 2-3-4; National Forensic Club, 2-3-4; Chorus, 4; Junior Oratorical Contest, 3; Dramatics, 3; Tattler Yearbook Staff, 4; Junior Prom Committee, 3.*

"Jakey" hails from the rural section of Macungie. She is an all around Pal and sport.

"Jakey" and her Pal, "Chats" are inseparable. They are sure to be in the midst of some excitement or argument. Her interests fly to West Philadelphia. She adores dark curly hair. We wonder who?

Well! laying all jokes aside, "Jakey" is the type that everyone likes. She is one of those who never is disgusted. Marie expects to continue her educational career at Penn State. Go to it.

ARLENE MOYER

"Moyer"

*Junior Prom Committee, 3; Monitor Club, 3-4; Chorus, 4; Senior Class Play, 4; Year Book Staff, 4.*

Introducing "Moyer", one of the charming co-eds of our class. Do not rush boys, she is already taken!! Her winning smile is one of the assets of her success in attracting many true friends.

Arlene's scholastic ability has by no means been mediocre.

Due to a well-developed sense of humor and self-control, Arlene is inclined to see the better side of life.

Arlene's ambition, after leaving school, is to study the art of beauty culture. The class of '36 wishes you the best of luck.

*Tattler Staff, 2-3; Dramatic Club, 4; Year Book Staff, 4.*

WILLIAM NEETZ

"Billy"

Crash! Bang! That must be "Billy" and John Hook in one of their daily arguments. But, folks, they're the best of friends. "Billy" had a column in the Tattler, and also in the "Little Stick."

He has a certain interest in Williamsport and makes the class do a lot of guessing.

"Billy's" one ambition is to become a moving picture photographer.

Keep up the good work, "Billy," and we're sure you'll be successful.

ALTHEA OSMAN

"Sue"

*Chorus, 1-3-4; National Forensic, 2; Dramatics, 2-4; Debating, 4; Tattler Staff, 4; Year Book Staff, 4.*

"Good things come in small packages." She's little but that is no detriment to her being heard and recognized if not seen.

Her brown eyes and happy-go-lucky personality attract many friends, especially a certain "someone" of the opposite sex. "Sue's" soft natural waves are the envy of all the girls.

She possesses a great deal of intelligence in her class work and really thinks before speaking.

After graduation, her one desire is to become a nurse. Good Luck!

# EMAUS HIGH SCHOOL

## BARBARA PALENCAR

"Birdie"

*Basketball, 2-3-4, (Captain, 4); Tattler Staff, 4; Senior Class Play, 4.*

What would the center section of the basketball team of E. H. S. do without the remarkable outstanding work of "Birdie?" Her athletic ability is a great asset to our Alma Mater.

"Birdie" is one of the charming brunettes of the class. She has curly hair and two dimples; one on each cheek. Despite the angelic look, "Birdie" is a witty and fun-loving girl.

"Birdie" is a very accomplished typist, and hopes to become somebody's private secretary. May she manipulate the "Keys of Life" in like manner.

## RUBIE PYLE

"Rubie"

Here is one of the small members of the class—small in stature, but not in capacity for work. Rubie has been active in debating, and has been a faithful member of the Tattler Staff and the National Forensic Club. She expects to go to Penn State and prepare for the teaching profession. Go to it, Rubie. We know you'll succeed. Here's wishing an all-round pal a successful voyage through life.

*Debating, 2-3-4; Tattler Staff, 3-4; Forensic Club, 3-4.*

## RUSSELL REINHARD

"Russ"

*Track, 1; Football, 1-2-3-4; Basketball, 1-2-3; Baseball, 2-3; Senior Class Play, 4.*

"Russ" is a Jack-of-all-sports and has been a success in baseball, basketball, and a star in football. Members of the opposite sex are his pet hobbies.

Frequently you can see "Russ's" milk truck on Adrain Street. We wonder why? Could it be a certain girl in the Sophomore class????

"Russ" is a great outdoor enthusiast, he enjoys hunting, trapping, and fishing. "Russ" is undecided to what he would like to do for a living. Good luck to you "Russ."

HOWARD P. RITTER, JR.

"Ritter"

*Junior High Basketball, 1; Inter-Class Basketball, 1-2; Monitor Club, 2-3-4; Junior Prom Committee, 3.*

Behold one of the tallest members of our class! Oh yes, he is quite good-looking too. He is another Senior from Macungie. You may think "Ritter" bashful when you first look at him, but get him into a crowd and then see what "Ritter" is like.

Howard is seen quite frequently on Third Street. We wonder why? Howard expects to continue his commercial knowledge after leaving school. Success be yours, "Ritter."

*Football, 4; Hi-Y, 4; Class Play, 4.*

EDWIN F. ROHRBACH  
"Eddie"

Bravo! Bravo!

Almost last but far from the least, we find the he-man of the class. Whenever there is a joke to be cracked "Eddie" is right there to crack it. "Eddie" is one of the "three horsemen," Weida, Bachman, and Rohrbach; the stalwart three of the General section.

"Eddie" is still free and single, so here's a chance for you, leap-year-lassies.

"Eddie's" life ambition is to be a general mechanic. We are behind "Eddie" 100%.

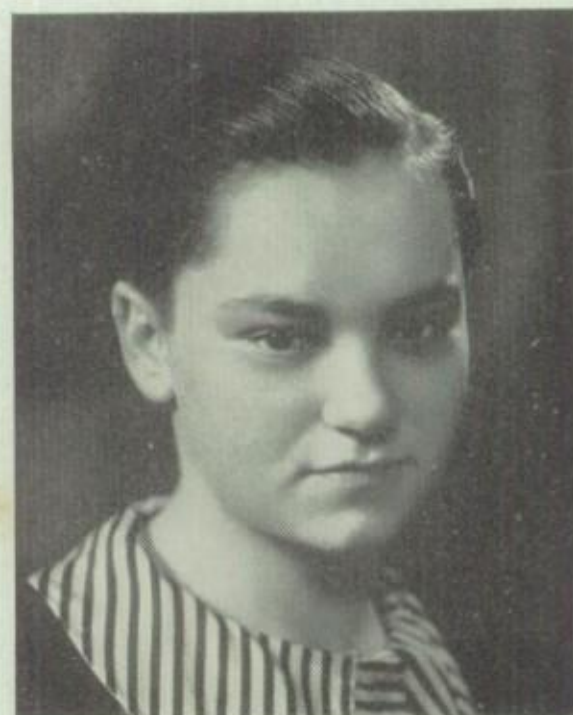

NAOMI RUTH

"Ruddy"

*Oratorical Contest, 3; Minstrel, 1.*

Naomi is a dark haired member of our class and is rather quiet. She is not very tall but she has a great capacity for work. She is an all around good pal and a good sport. "Ruddy" likes to dance and can she dance!

We do not know what "Ruddy's" intentions are, but whatever they are, we feel sure she will succeed. Go to it, "Ruddy"! The class wishes you an unconditional "Good Luck."

# EMAUS HIGH SCHOOL

## STANLEY E. SHOEMAKER

"Pea-Eye"

*Hi-Y 3-4*

*Dramatics 4*

Stanley is one of the very few quiet members of the class. Oh yes, he is quite good-looking, too; but do not crowd, girls, his interests are already in the City of Lebanon.

Once in a while Stanley gets an inspiration and then he studies. At times the inspirations are few and far between. But why discuss that phase? We are in the dark as to what Stanley will do after graduation but whatever Stanley attempts, we know, will be a success.

## EVELYN C. STICHTER

"Evie"

Here we present a fair member of our class who hails from Macungie. Evelyn is studious, always has her work done and is also very quiet. We often wonder whether she isn't quiet in order that she will not divulge any secrets.

Honor Rolls are incomplete without Evelyn's name.

Although still undecided as to what she will do when out of school, "Evie" would be an asset to any business.

Well, whatever you choose, here's the best of luck.

*Tattler Staff, 4; Year Book Staff, 4.*

## BOYD STRUNK

"Strunky"

*Orchestra, 1-2-3-4 (President-4); Chorus 3-4; Tattler Staff 4; Hi-Y Club 3-4 (President-4); Dramatics 4; Melodiers 2-3-4.*

Here comes a student who knows his Mathematics and Physics. If you want a problem worked correctly bring it to "Strunky" and he will do it if it can possibly be done. Strunk knows a good car when he sees one and that is why he drives a Ford. Boyd lives in Zionsville but spends most of his time in Emaus with the other members of the "Melodiers Quartet." Boyd expects to enter college and we all know that he is sure of a successful future.

JOHN A. WEIDNER

"Johnny"

*Latin Club 1; Orchestra 1-2; Hi-Y 4; Dramatics 4.*

John hails from Alburtis, which is a little town, a few miles from here. "Johnny" is studious at times but often forgets his studies in the evening. He may seem bashful, but when he is wound up he can help himself.

John is very fortunate to be employed by one of the merchants in Alburtis. It is enjoyable work because he contacts good-looking girls. Although he has a part-time job, he does not neglect his studies.

Here's wishing success to you and hoping you may become a manager some day.

*Cheerleader, 4; Chorus, 3-4; Year Book Staff, 4; Tattler Staff, 4.*

ARVILLA WENTZ

"Toots"

Let's go with the "Fight Green and Gold Yell, Hip, Hip." Here she is, the star cheerleader of E. H. S. Small but mighty, "Toots" chooses for her qualifications pep, vim, and vigor. Her main interest centers on a certain male at the Broad Street Hotel. "Toots" is a fine sport and is always in on all the pranks.

"Toots" has the ability to rattle the keys on the typewriter. She is already preparing to be a stenographer in her father's office. We wish her boundless success.

WELTON ZENTNER

"Blinkity"

*Football Manager 4; Debating 2; Basketball Manager 4; Baseball Manager 4; Basketball 4.*

"Blinkity" is one of our faithful student managers. "Blinkity" has a little trouble with his eyes and is always being teased about it. Ask him about the time he gave the varsity the Jay Vee Suits. "Blinkity" is often known as a lady killer—we wonder why? He is known how to play the best game of pocket billiard in the high school. After graduation, "Blinkity" expects to become an interior decorator and apply his well liked colors to his work.

Class of 1936 When Freshmen

## CLASS WILL

With the passing of each day, our earthly days are rapidly coming to an end. We, the members of the Class of 1936, find it advisable to draw up our last will and testament, for the date of our mass execution has been set for June 18, at 10:30 P. ## CLASS PROPHECY

40-50-60-70 the needle of the speedometer of my "Blue Streak" quivered at 75. Fortunately I met no "cops" on the highway to Emaus.

I had not seen Emaus since my graduation from the Emaus High School in 1936, and now in 1950 I returned to find, in place of a small town, a fair sized city.

I stopped at the forty story "Hotel Emaus" and saw on the large Neon sign extending from the building the words: "Barbara Palencar, Proprietor." I never dreamed that Barbara, a classmate of mine would some day own a hotel.

After a brief visit to the folks at home I set off again to tour the world.

The next day found me in New York. I stopped at a restaurant and here I met Dorothy Kline, who was a waitress, she told me that Emma Marx was the Chief Cook.

After leaving the restaurant I rode to the Franklin Airport. I stepped into the office and Paul Kratzer jumped up from a deep, cushioned office chair and grasped my hand. He told me he was manager of the Airport. As I was departing, I met Edwin Rohrbach, dressed in overalls, and full of grease, he was the General Mechanic at the Airport.

I was walking on Broadway when I met Althea Keller. I discovered that she was a commercial artist. For the rest of the day I rested, intending to leave New York the following morning.

In the evening of the next day I stopped in at a beautiful dance hall. Here I saw "Bob Eltz and his Jolly Crowd," his high school ambition was realized.

At nine o'clock the next morning I was in Ohio. In Cleveland I met Elwood Keyser, who was handing out cigars; he was running for the office of mayor. I also saw Olive Brensinger, a teacher in the Cleveland High School.

Leaving Ohio, I went directly to Michigan. As I was passing a large field of grain, I saw a sign which read: "Shoemaker & Weidner, Wholesale Grain Dealers." Could it be two other classmates of mine? And sure enough they were the Stanley and John of the class of "36".

In Detroit I was invited to visit the world's largest Radio Station. At the station I heard LaRue Hausman and Arlene Moyer thrill the world for half an hour with their magnificent singing.

## CLASS PROPHECY

At Paxton College in Detroit, I saw Donald Wieda, the head coach. While reading the "Detroitette" a popular magazine, I was surprised to see Joyce Haberstumpf's name on the front cover, below the illustration. I discovered she was a modern illustrator.

In the department store of "Blackberne & Son," I met Gladys Buss, a busy clerk.

From Detroit I rode to Chicago. My "Blue Streak" was doing well under the conditions. On Bayridge Avenue I saw a sign advertising, Dr. Horace Schantz. In his office I saw Marian Mantz, who was his private nurse.

When putting up my car for the night in a large garage I saw Joseph Bachman, a mechanic. He showed me Martin Koch's racer which was to be shipped to Indianapolis. As I departed from the garage I bumped into Leon Boyer, traveler and lecturer.

Visiting the schools of Chicago, I met three of my classmates who were teachers. I saw first Annabelle DeLong, a primary teacher, then, Lucille Bieber, another primary teacher, and in a High School I met Dorothy Bortz, who taught Home Economics.

At the Haley High School of Chicago, I met Garwood Kline, who was the Baseball Coach. In the office of one of the biggest firms of Chicago I saw Grace Croll, a stenographer and typist.

While in the "First National Bank of Chicago, I saw on a door the words: "Kenneth Dorney, President, Private." He informed me that he had Helen Feninez working for him.

In a large manufacturing plant I saw Boyd Strunk, an electrical engineer, and in another large plant I met Russel Gieger, also an engineer.

I visited the Saucon Hospital and saw Theda Krause and William Brensinger who were attendants.

While eating in a large restaurant I found that Marie Mohr was the dietician.

After a two weeks stay in Chicago I decided to move on and went to South Dakota. Here I met my old pal Quentin Helfrich, who was the head of the "Helfrich Traveling Circus."

At St. Paul Minnesota I saw Russel Eck, a traveling salesman. And at St. Paul High School I met Welton Zentner, the Athletic Coach.

## CLASS PROPHECY

In Texas I met Richard Laubach, a Ranch Owner. And while in New Mexico I saw Charles Bittenbender who informed me that he was in the mining business, and doing well.

I reached California in exactly forty-two days after I started from Emaus. Here I met Arthur Graybill, ex-navy man, who had found fame and fortune in Hollywood.

In Santa Rosa I met Foster Laudenslager and Bernard Christman in Army togs. They informed me that they were on a leave of ten days from Fort Levan, about five miles from Santa Rosa.

I was informed that Madelon Hillegas was a personal maid to Breta Jarlow, famous movie star.

At the "Silver Spleen" ballroom I saw Geneva Hall pounding away on the piano. I had the surprise of my life when I met Russel Reinhard in Hollywood and he told me that he was a croomer. I met Evelyn Stichter, who was bookkeeper for the Box Pictures Inc.

William Neetz called at the Roberts Studio in Hollywood, and had me watch him photograph a part of a modern picture, with Althea Osman starring. I met Claire Herman, a chauffeur and mechanic for a popular movie actor. Evelyn Fegely, I found, was a private nurse to the daughter of a movie actress. And I was pleased when I saw Katherine Hamscher fixing hair for the movie stars. In the largest department store in Hollywood I saw Althea Miller, who was a clerk.

I went back to Emaus soon, and there at the City Hospital, I met Charles Iobst, doctor and Naomi Ruth, a nurse.

In the schools of Emaus I found three Classmates of mine teaching, they were: Mae Deischer, Edwin Klan and Rubie Pyle. I found that Gertrude Knecht was happily married with a small family.

Creighton Buss was the president of the Emaus Silk Mill Association. Arvilla Wentz I found, was a bookkeeper in the Emaus National Bank.

After seeing all these classmates of mine so well established in the world, I have a light heart and I sincerely hope for the best for everyone. After a trip so tiresome I deserve a rest so if you'll excuse me I'll retire.

Editor's note: The author of this prophecy, John Hook, was elected Chairman of the Board of Directors in the Emaus National Bank and a rumor is being spread that he is soon to receive an appointment to the Board of the Federal Reserve.

## DRAMATIC ACHIEVEMENTS

On December 6, the Senior Class presented its first class play before a large enthusiastic audience. The play was a rollicking farce in three acts entitled "Mountain Mumps."

The plot and story consisted of the misfortunes of a wealthy family and how the misfortunes were treated. The climax of the play was reached when all the characters were stricken with imaginary cases of "Mountain Mumps." This funny episode carried the audience along in a mad turmoil of laughter until the final curtain dropped.

The following seniors were selected for the cast of characters:

Lucille Bieber .....	<i>Peg Southern</i>
Althea Keller .....	<i>Mrs. Chilton</i>
Joyce Haberstumpf .....	<i>Florence Chilton</i>
Althea Osman .....	<i>Sue Chilton</i>
Leon Boyer .....	<i>Calvin Chilton</i>
William Brensinger .....	<i>Link Forestor</i>
John Hook .....	<i>Timothy Regan</i>
Boyd Strunk .....	<i>Kerry Regan</i>
Gladys Buss .....	<i>Mrs. Bebe Shotts</i>
Mae Deischer .....	<i>Lida Shotts</i>
Kenneth Dorney .....	<i>Dr. Miller</i>
Horace Schantz, Jr. ....	<i>Homer Riggs</i>

The second Senior Class Play was presented on April 3 before a pleasing audience.

This play was a youthful comedy written especially for young people, as the title, "Young and Healthy," suggests.

The play dealt with the problems of two young brothers who were orphans but had many young friends. The play contained highly amusing and dramatic situations, such as the practice for a High School Play and the make-believe robbery.

The seniors selected for the cast of "Young and Healthy" were:

Herman Gery .....	<i>Bobby Means</i>
Charles Iobst .....	<i>Harold Means</i>
Creighton Buss .....	<i>Bill Baker</i>

## MELODIERS QUARTET

This quartet was organized when the four boys were sophomores in High School. They were then known as the "Sophomore Quartet." When they became Juniors in school they changed the name to "Melodiers Quartet."

The quartet was under the able direction of the music teacher, Errol K. Peters, and has filled close to two hundred engagements.

The personnel of the quartet is Creighton Buss, first tenor; Boyd Strunk, second tenor; William Brensinger, baritone; and Leon P. Boyer, bass.

M any a song was sung by these boys  
 E very one said, "It's the quartet of my choice."  
 L onely hearts were made happy and gay  
 O nly through songs by these boys every day.  
 D uring their course they entertained young and old,  
 I n no one occasion have they been too bold.  
 E ach one of these boys had proven his worth  
 R ight down to this day  
 S ince the time of his birth.

Q uietly now, it's the world's turn to praise  
 U ntil these young boys have run their rough race,  
 A lways we'll remember what these boys have done  
 R eadily we'll strive to encourage them on.  
 "T here's nothing like singing."  
 E ach one of these boys says.  
 T hen here's hoping its bringing them Endless success.

### TRIANGULAR DEBATING TEAM

The Class of '36 produced a fairly good debating team this year. The affirmative team consisted of Althea Miller, Grace Croll, John Hook, and Rubie Pyle as alternate. The negative team was composed of Theda Krauss, Althea Osman, Arthur Graybill, and Althea Keller as alternate.

The question for this year was "Resolved: That the Several States should enact legislation providing for a system of free medical service available to all citizens at public expense."

On the whole, the teams did good debating. In the Triangular debate, the affirmative defeated Slatington but the negative was defeated by Catasauqua. In the reverse Triangular debate, the affirmative was defeated by Catasauqua but the negative was victorious over Slatington.

Much of the success of our teams was due to Mr. Benfield's untiring efforts to produce successful teams.

The teams appreciate all the kindness shown them during their debating career and wish to take this opportunity to thank those who made it possible.

### "PIRATES OF PENZANCE"

The Senior High School Chorus of sixty-eight voices presented the opera "Pirates of Penzance," by Gilbert and Sullivan on May 7 and 8, with great success. This was the second opera which was presented by our high school chorus.

## FOOTBALL

The 1935 football season started with a team of inexperienced players which improved in successive games until the month of November when the boys reached their stride—lost only one game, tied one, and won two games.

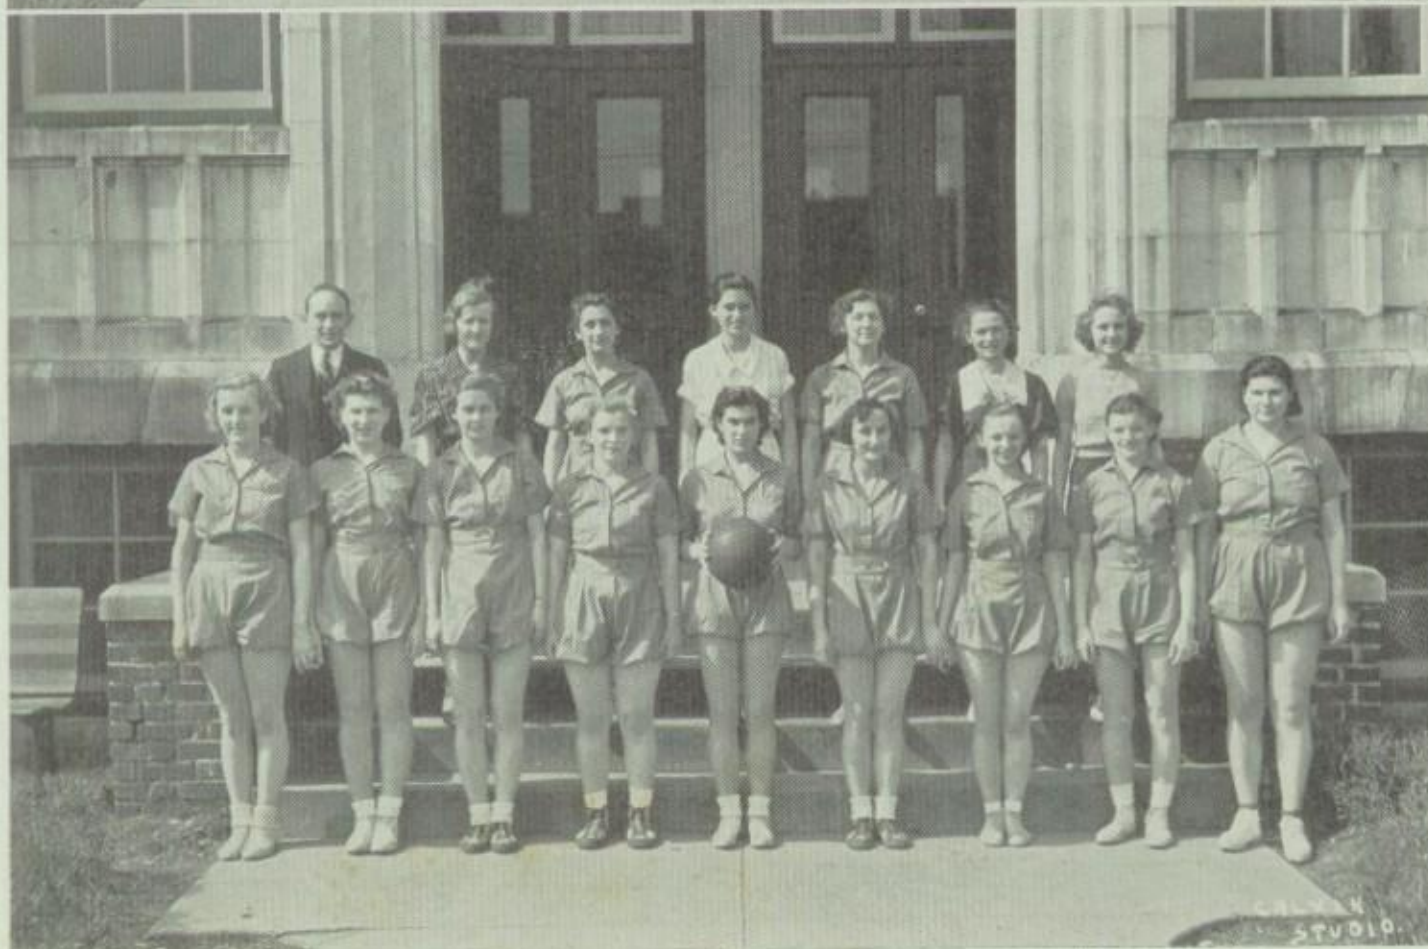

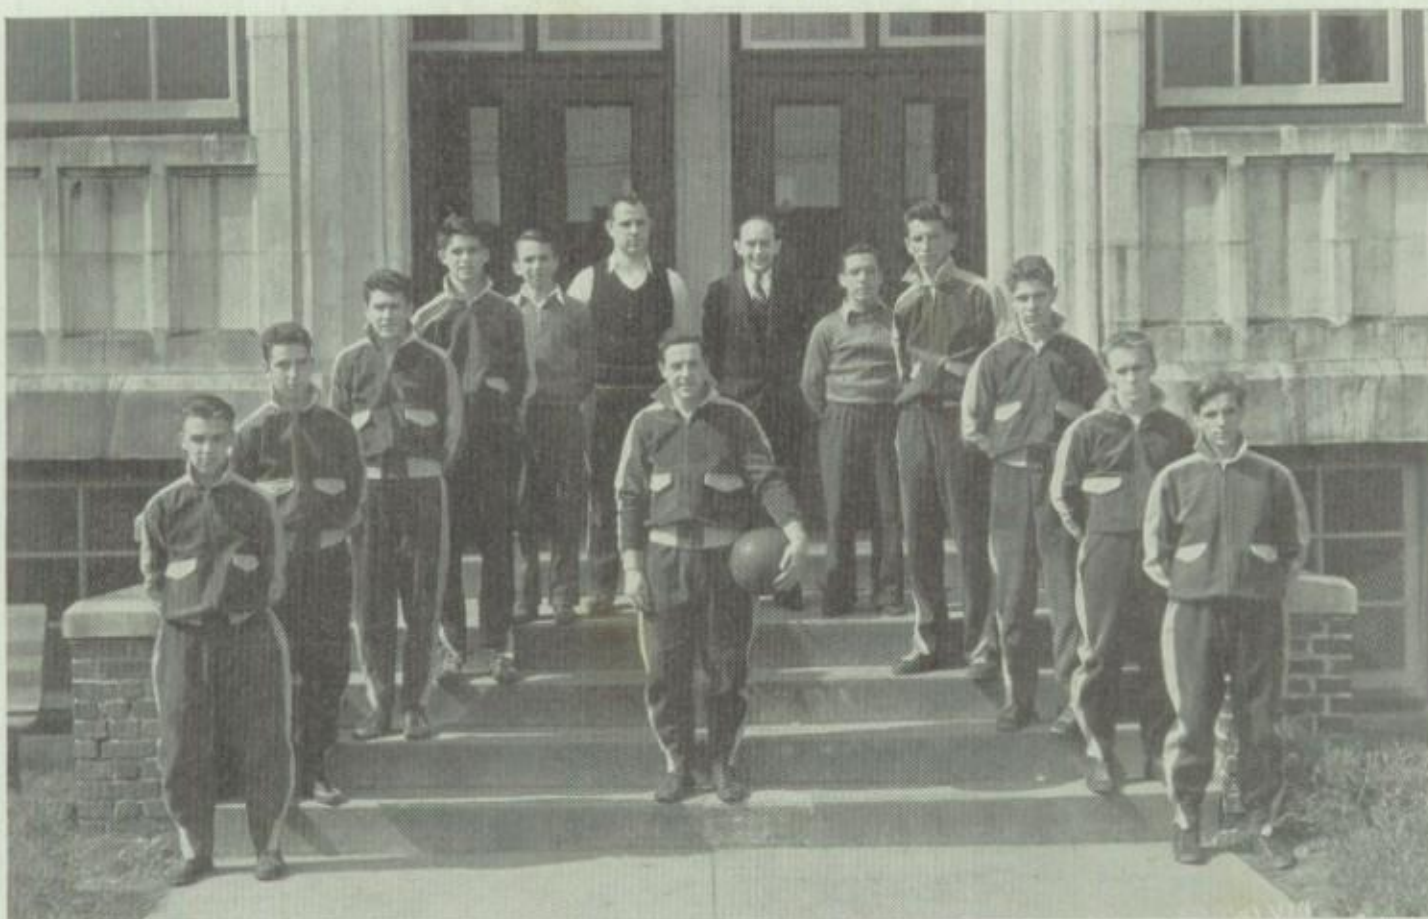

The only experienced players forming the nucleus of the team were: Captain D. Weida, Co-captain H. Schantz, R. Roeder, R. Laubach, H. Gery and R. Reinhard. Even though playing a heavy schedule, facing opponents who outweighed our boys, yet not one of the players suffered serious injury which proves that the team was in excellent physical condition and observed training rules.

The team of 1935 brought the season to a close by defeating one of its bitterest rivals, "Whitehall High".

The annual football banquet, tendered by the Athletic Association, consisted of a roast duck dinner, with Coach J. McGovern of K. S. T. C. as the speaker.

## BOYS' BASKETBALL

Perhaps it was the new sweat suits that helped make our basketball team one of the best in the history of the school, considering that only two Varsity players remained from the previous year.

Coach "Don" Savitz produced a scrappy quintet which won four League games to gain the leadership of the second division in the League. The scores indicate the closely contested games played.

Only one Senior, Captain Schantz graduates, this leaving experienced players which we hope will give to E. H. S. a successful year in 1937.

## GIRLS' BASKETBALL

The Girls' Basketball Team went through a hard season, scoring 4 victories to 5 defeats. But the girls considered it a successful season when they defeated their bitter rival, Whitehall High by the score of 4 to 3.

This was Miss Stortz's first year as our girls' coach and she proved very capable. We wish her and her lassies lots of luck in 1937.

Senior members of the team, who are graduating, are: Captain Barbara Palencar, Grace Croll, Joyce Haberstumpf, Mae Deischer, and Althea Keller.
